- Magnets 4ft x 8ft and smaller full color any image can be printed directly to the surface.
- Window block-out graphics & Perforated Window graphics full color.
- Vehicle decals and graphics also available in vinyl.
- Graphic Design! If you can think it we can create it from simple signs to touching up 100 year old photos we can help.

Scanning Services

In addition to these printing options, ERI can also fulfill all your scanning needs including large and small format, color and black & white scanning. Scanning to files is a much more convenient method of storage and backup than flat files stuffed with prints. A single CD-ROM or DVD-ROM can hold thousands of drawings and has a shelf life of approximately 100 years.

Shipping & Distribution Services

ERI distributes, via all available overnight and standard carriers, as well as with our delivery driver available for quick response to your pick-up requests and for delivery of your finished projects. We can also store projects in our warehouse or on our server for future distribution. Using our ReproConnect software, you can access your files via the Internet from anywhere in the world.
